FORE

As another year of college life draws to a close, it is realized by those to embark upon a new phase of life's voyage that these years have aided in the formulation of life's goals. It is from this refinement of intangible ideals that one assumes a significant role in life's drama.

Through these doors, the youthful freshman enters a community striving to attain academic excellence as well as social awareness. Throughout the college years, this end is sought. It is through these doors the learned senior passes, hopefully carrying with him these ideals and unforgettable memories.

It is the hope of the Arrow staff to preserve memories of one of the important years of college life.

THE PRESIDENT

To the Class of 1966

You have received your education in an exciting time! The social movements which have throbbed in American life in the past four years have spoken of concerns which are determinative of human destiny. What a time it has been to explore the avenues to truth.

Your graduation may seem to be the end of the road, but the impression is utterly false. The road bends here, and beyond are all the opportunities to inquire more deeply into those areas where you have only scraped the surface.

Education is a lifelong process and you have only begun. Your college diploma is a ticket of admission to an "upper level" of experience in man's eternal quest to know and understand and believe.

Lycoming College bids you "Bon Voyage." The days ahead show all the promise of high adventure. The entire justification of your degree rests upon the faith with which you face tomorrow.

Very sincerely,

D. FREDERICK WERTZ

"No man is an island, entire of himself; every man is a piece of the continent, a part of the main; . . . any man's death diminishes me, because I am involved in mankind; and therefore never send to know for whom the bell tolls; it tolls for thee."

IN MEMORIAM

In memory of a man of authority as well as a friend—in remembrance of his many years of devoted service to all members of the college community; of his industrious labor to attain academic excellence; of his constant willingness to aid students in their pursuit of knowledge; of his friendliness and understanding of youthful problems; and of his continued efforts beyond that which was expected, we reserve a portion of the 1966 Arrow in memory of G. Heil Gramley.

The Student Government Association, as a student elected council, has a great responsibility to the students, including planning and approving many of the social activities of the campus. S.G.A. planned such activities as the Homecoming ceremony and Winter Weekend when they had on cam-

pus the well known comedian Dick Gregory.

This year the S.G.A. began work on the January Program and the Teacher Evaluation Program. Also for the Community Chest the S.G.A. held the Campus Chest Fund.

A wide variety of activities are available through the Student Union Board which "is designed to serve the needs of the students and faculty for a social and recreational center." Besides the faculty-student coffee hour discussions and the after dinner student performances, the S.U.B. has organized an

excellent guest concert series and a televised I.M.C. this year. Also the Student Union Board has placed murals on the Subwalls, made good use of the display cases, held stereo concerts and kept the Sub in good order this year.

BELL

The Bell is the weekly campus newspaper published by the students of Lycoming College. In addition to informing the campus community of events at the College, it provides the students and faculty with an outlet for their opinions. Through feature articles and editorials the Bell

serves to stimulate intellectual conversation on issues of interest. Under the 1965-66 staff the Bell has expanded both the number of issues and the size of the individual issues, causing the Bell to become an integral part of Lycoming College.

Xi Pi Chapter of Alpha Phi Omega was chartered at Lycoming College in December, 1963. During its time as a colony and now as a chapter of the largest national fraternity, Alpha Phi Omega has endeavored to be of service to the Campus, Community, Nation and Chapter.

While the social aspects are not ignored, the fraternity does concentrate on service. Alpha Phi Omega ushers for the weekly Chapel services, provides the cannon crew for the football season, sponsors a campus-wide Ugly Man Contest, and this year, among other activities, built a parade float for the local Muscular Dystrophy Association.

The Lycoming College Choir gives those students interested in music an opportunity to further their vocal knowledge and ability. This year, in addition to its chapel duties, the choir worked on their Christmas Program and their performance of Verdis' Requiem.

The Lycoming College Tour Choir this year toured the north-eastern metropolitan areas. Also short weekend trips were taken in the Spring.

I.F.C.

The purpose of the Inter-Fraternity Council is to establish a relationship between the college and the Fraternities which will promote Fraternal achievement according to accepted college, community, and National Inter-Fraternity Council standards.

This year the I. F. C. weekend was rescheduled in March apart from the traditional festivities of Spring Weekend, while Greek Week still remained a Spring Activity. I. F. C. Weekend was highlighted by the appearance of the Kingsmen. Its social program is just one of the contributions of the council to general campus life.

Lambda Chi Alpha was founded on the precept of forming a well-rounded individual. This is clearly expressed through their two mottos — "Every Man a Man" and "Naught Without Labor."

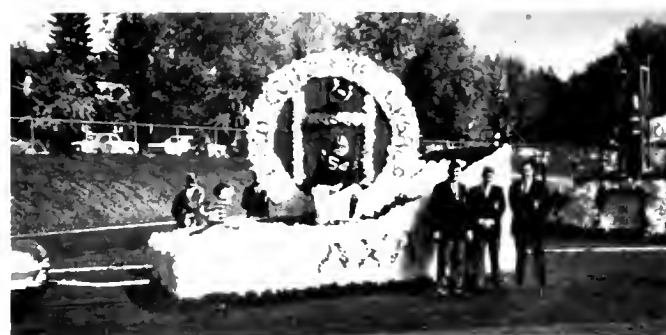

Among this years activities were included the annual "Yates Esool" for incoming freshmen, a Christmas party for needy children, and numerous ushering assignments and assistances for the college.

Lambda Chi Alpha has striven to produce men who can work both as individuals and as a team — through the perpetuation of their brotherhood.

The purpose of Theta Chi is to develop an organized brotherhood within the context of campus life, a brotherhood oriented both inward and outward. This is expressed in their motto, "Alma mater first and Theta Chi for Alma mater."

Their academic record speaks for the overall intellectual concern of the brotherhood. Again this year they received the Silver Certificate Award for scholarship issued by the National Organization of Theta Chi.

This year Homecoming was highlighted by an OX roast. This proved to be such a success that it has been established as an annual event.

FOOTBALL

The Warriors came out on top of the season this fall collecting five wins while losing only three. It was a campaign that found Lady Luck standing between Lycoming and a perfect season. The three games lost found the offensive scoring more points per game than the defensive team gave up per game on the average. But the defense did not hold, and the offense could not get that one touchdown that would have meant victory. The gridgers collected an average of 19.2 points per game while the defense gave up only 10.2 points per game. Only in the season opener and the Homecoming contest did the Warriors fall far short of their average point production,

and both times the defense rose to the occasion to insure the victory.

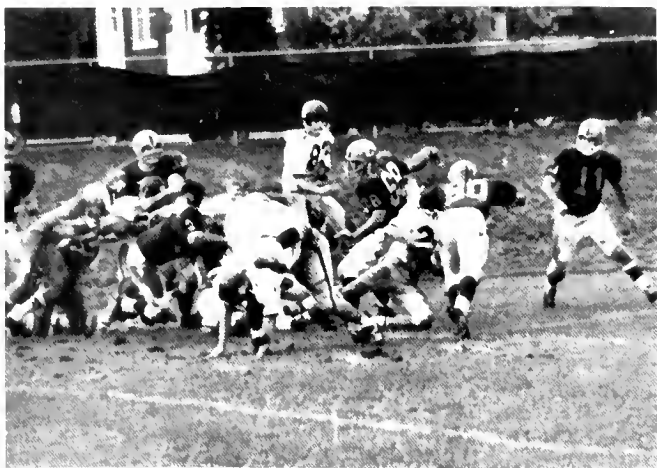

1965 was a season that marked the Warriors first win over Susquehanna in the history of the rivalry between the two schools. The final game of the year against Muhlenberg marked the high point of the season as the Warriors scored 56 points to send the Mules to defeat. It was also the season that high lighted a number of stars including senior co-captain Denny Warg, senior Mike Cohen, junior Bob Stetson, and sophomore quarterback Wayne Miller.

SOCCKER

The soccer team plagued by injuries to key players throughout the season struggled to a 4-6 record. The star scorer Monty Whitney reinjured last year's leg injury and was sidelined for the major part of the campaign. Upon his return to the line-up he was unable to play at full capacity. The shortage of man power resulted in Coach Phillips shifting players positions from game to game in an effort to find that magic winning combination.

The Warriors played well in their victories that featured the outstanding offensive play of high scorer Walt Kinsey and defensive stars Steve Sayre and Myron Jones. The victory over Wilkes continued the Warriors perfect record against this Pennsylvania foe. The victory over Susquehanna was the second time in two years that the soccer team sent

them to defeat, and it completed a perfect fall season for the College against this Selinsgrove school.

The Warrior luck did not hold and the lack of depth, with which Coach Phillips has been handicapped for the past two years, again was the significant factor in the Lycoming defeats. Three of the six games that were lost were decided by one goal each time. If the team had had the big scoring punch the season could well have been a winner.

Lost to the team through graduation are captain Myron Jones, Steve Sayre, Ismael Martins, and Bob Pearson.

Walt Kinsey and Don MacCurdy were selected for the first MAC team and Steve Sayre was selected for the second MAC team.

BASKETBALL

Averaging over 90 points per game to their opponents 79 point average the Lycoming College Basketball team completed their best season since 1951 when they won 16 and lost 3.

The team was paced all season by senior co-captain Ron (Lefty) Travis. Travis was the high scorer and the leading rebounder on the squad. Bud Frampton, who averaged better than 12 points a game, proved

to be hot when the team needed that extra point here and there to assure the victory for Lycoming. Along with seniors Frampton and Travis, outstanding juniors were Bob Barnhill and Dick O'Donnell. With sophomores Dave Pearson and George Young returning next year to join Barnhill and O'Donnell, it appears that Coach Burch will have another outstanding team again next year.

Head and shoulders above Western Maryland.

WRESTLING

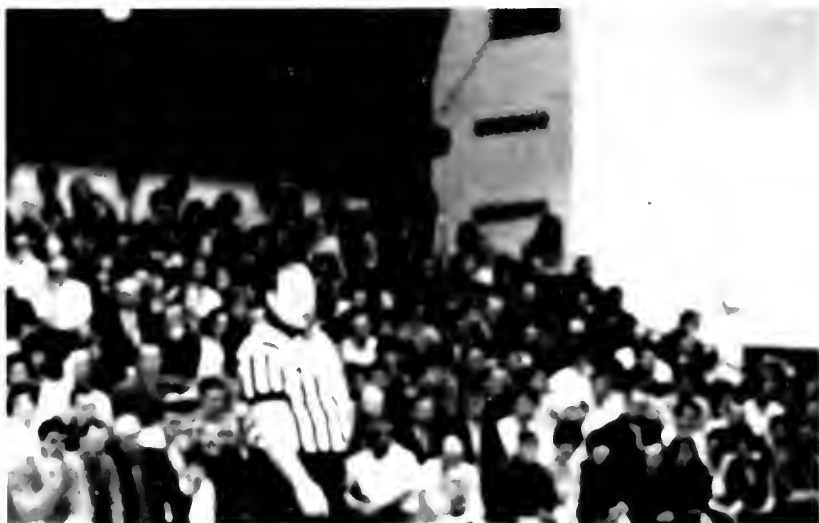

Again the wrestlers of Coach Bud Whitehill posted a fine dual meet record dropping only two matches. Old Dominion squeaked by the Matmen with just one point and Wilkes, the defending MAC champions, became the second team this year to down our men.

Seniors Bill Bachardy and Art Oraschin, this

year's co-captains, headed the list of outstanding wrestlers. Combine them with underclassmen Rod Mitchell, Andy Ketner, Gary Guasp, Ray Dacheaux, and Bill Muldoon and it does not seem surprising that the team was so successful.

With Coach Mort Rauff at the head, Lycoming's swimming team took to the waves again this winter, but found that graduation had hurt the team's success. Dropping their first two meets, one to powerful Franklin and Marshall, the mermen came back for victories in their next two meets. Following a defeat to Dickinson, the swimmers bounced back with victories in their next three encounters.

Outstanding on this year's team are sophomores Jack Hodgins in the 200 yard freestyle, Walt Kremizer, Clark McFadden on the relay team, and freshman Waymen McCoo. With all this young talent at Coach Rauff's disposal the 1966-67 team should be giving opponents a tough time.

LYCOMING TAKES SECOND IN M.A.C.'S

The Lycoming College Wrestlers took second place in the Annual Middle Atlantic Conference Tournament held at Wilkes on March 4 and 5.

Two first place positions were won by Gary Guasp at 123 lbs. and Rod Mitchell at 137 lbs.

Taking second, third and fourth places respectively were Mel Fleming at 167 lbs. and Art Oraschin at 177 lbs., Bill Bachardy at 160 lbs., and Andy Ketner, heavyweight.

BACHARDY CAPTURES NATIONAL TITLE

Senior Bill Bachardy won the 167 lb. title of the N.C.A.A. College Division wrestling championships in Mankato, Minnesota. Bachardy, from Flemington, New Jersey, defeated Bob Ray of East Michigan University 9-2 in the finals. In his earlier matches Bachardy defeated his opponents with two pins in the preliminary matches and a decision of 7-0 in the semi-finals.

SWIMMERS' PLACE THIRD IN M.A.C.'S

This year the Lycoming College Swimming team placed third in the M.A.C.'s with 49 points. Jack Hodgins came in first in the 200 yard individual medley, second in the 200 yard free style and tied third in the 100 yard free style. He was also a member of the medley relay. Clark McFadden took third place in both the 200 yard and the 100 yard butterfly and was a member of the free style medley third team. Steve Smith placed fifth in the 200 yard butterfly, the 100 yard breast stroke, and the

200 yard breast stroke. He was also a member of the medley relay. Rich Meeks came in fifth in diving and Jim Kremvier placed fifth in the 200 yard individual medley and the free style medley. Mike Westkott, the captain of Lyco's swimming team, placed third in the free style relay and also in the medley relay. Sandy Raymond and Wayman McCoo were members of the free style relay.

The team did an impressive job this year and has high hopes for next year's meet.

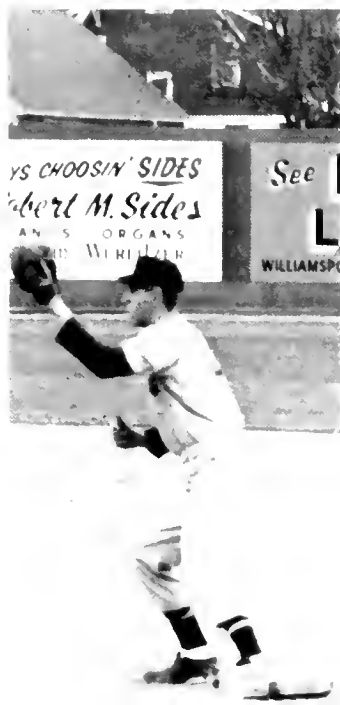

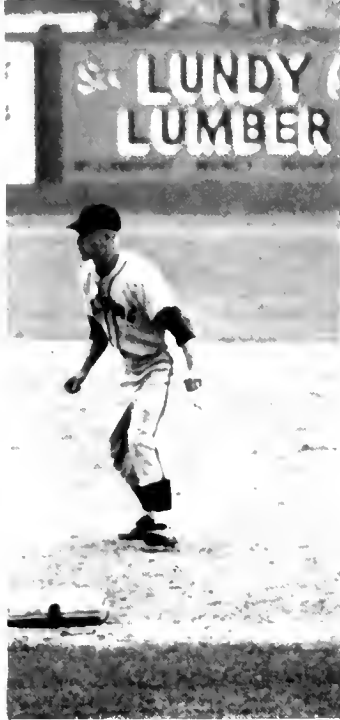

BASEBALL

The Lycoming Baseball team finished the season with a record of 7 wins against 3 defeats for a .700 percentage. The team was led by the pitching of Gary Reed and Ed Paup. Backing up with their bats at the plate were seniors Brad Malone, and Ray Brown along with juniors Steve Hockley and Irv Post.

The season was highlighted by sweeps of both games of doubleheaders against perennial foes Dickinson and Upsala. In their only other doubleheader of the season the Warriors dropped both games to a powerful Susquehanna squad. To complete the season the team won 3 of the 4 single games of the season.

TRACK

A much improved Warrior track team finished the 1965 season with a 4-2 record in dual meets. This included wins over such powers as Lock Haven and Mansfield.

The cindermen are looking forward to a fine season again this spring with such outstanding stars as Monty Whitney, Dan Bythewood, Ray Warrendale, Jeff Miller, Steve Barnes, and Bruce Ulman pacing the team.

TENNIS

The netters of Coach Nelson Phillips finished the season with a match record of 7-2 for a .777 percentage. The Warriors opened the season on a successful note with wins over Elizabethtown and Wilkes in their first two matches. The netters lost their next two matches, however, these were the only two matches they lost during the season.

Quickly returning to the victory column the team posted wins over their last five foes including such stalwart enemies as Juniata and Susquehanna.

Prospects for this season's team run high with returning stars Pat Malloy, Joe Miller, and Stan Zimmerman expected to be the foundation of the team.

GOLF

The linksmen finished their season with a much improved 8-3 record. Opening the season the Warriors split a triangular meet, beating Wilkes and losing to Dickinson. This was followed by three victories over Muhlenberg, Western Maryland, and Albright. Taking to the road they lost their next two matches. One of these was to Susquehanna on a sudden death play-off after the match was tied on the last hole.

The linksmen closed out their spring season on the road with decisive victories over Upsala, Mansfield, and Bloomsburg.

With senior lettermen Jim Tyson, John Biggar, and Steve Bobick returning to the squad, and junior lettermen Chuck Matter and Bruce Kates joining them, Coach Howard Harer's team will be heard from again this spring.

HOMECOMING

Jim Hubbard gets ready to announce the new Homecoming Queen.

The theme for the annual Homecoming Weekend was "Victory in the Air," commemorating the successful flight of Gemini 5.

The weekend began on Friday with a T.G.I.F. and a Coffee House presenting the Metropolitans and the New Century Singers.

One of the main events of the weekend was Lycoming's football game with Upsala whom they defeated 7-6. The highlight of the game was the crowning of the 1965-66 Homecoming Queen at halftime.

The queen, Miss Jennifer Adams, was sponsored by the Men's Residence Halls and was crowned by last year's queen Miss Toni Holm.

Saturday night the annual Homecoming Ball was held with music presented by Maynard McKissick and his orchestra.

CHIEFTAIN 1966

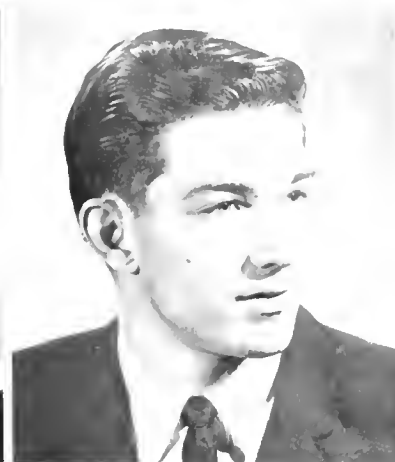

One of the highest honors which can be bestowed upon a Lycoming College student is the Chieftain Award. To be chosen as the recipient of such an honor, the student must be, in the opinion of the students and faculty, the one who has contributed the most to Lycoming College. Mental ability, skill, and industriousness compose a superior student; but also personality and humor are attributes of a Chieftain. The combination of these qualities make the Chieftain a student among students.

It is, therefore, with great pride that we announce

BONNIE S. BYERS

as the 1966 Chieftain.

ACKNOWLEDGMENTS

In the 1966 Arrow we have attempted to preserve some of the memorable events of the past year. I hope we have succeeded.

I wish to thank all those who have spent much of their time trying to make this possible; the editorial staff—John Biggar, Carole Curry, Glenda Crist, Carlyn Ellms, Bili Graham, Toni Holm, Nan Jaecker, Dale Lippincott, Jim Palmquist, Jim Rowland, Jo Stallard, Nancy Stearns, and Reenie Wessman; the advisors—Mrs. Elizabeth King, and Mr. John Graham; the Publications Department; the Senior Photographer, Mr. Sommerville; and Mr. Carl Chambers, the Delmar representative who gave us many a helping hand.

Also I would like to express my thanks to all the people who did the little things which we could not have done without.
